

TESSA JEWELRY

Tessa FW21

This season, Tessa Jewelry is honored to unveil new designs from its 2021 ZIRCONIA Collection at Tbilisi Mercedes-Benz Fashion Week 2021.

The Brand was founded in 2019 by friends. They will be presenting a beautifully crafted zirconia collection, versatile enough to wear day and night, and special enough to attract attention. Timeless, elegant, chic.

In every detail used in the design are shimmering color tones, time-honored techniques in jewelry making made modern touch to creations.
